

# Mushroom Sauce Goes with Salmon

From lakes, streams, rivers and coastal waters comes delicious fish. A delightful and versatile food, it's high in nutritional value and relatively low in cost.

There are about 160 varieties sold in the United States yet only about seven species are well known to the average consumer across the country. Salmon... often called the king of all fish... is one of the better known. Fresh salmon has a characteristic rich flavor with a fine yet firm and moist texture. A savory treat when, like all fish, it's cooked properly. Remember, short cooking is the secret.

**Celery Mushroom Sauce for Broiled Salmon Steaks**  
3/4 cup fresh sliced mushrooms  
2 tablespoons minced onion  
2 tablespoons chopped parsley  
Generous dash crushed tarragon  
2 tablespoons butter or margarine  
1 can (10 1/2 ounces) condensed cream of celery soup  
1/4 cup milk  
1/2 teaspoon lemon juice
